

Submitter:

Olivia Burroughs

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail makes the process of voting easier and more accessible to everyone. It allows those who cannot making it to a polling place due to transportation accessibility, work schedules (as many individuals work full days), and illnesses the ability to still have their voice heard. It is imperative that we protect that. Every American should be able to have their voice heard and we need to make sure that is happening. Please do not get rid of mail in ballots. Please.
