We must defend our vote by mail system. This bill is an attempt to disenfranchise voters.

I have lived in Oregon since 1989 and have voted by mail since its inception.

Repealing this

system would suppress voter turnout and create unnecessary barriers to participation.

Vote-by-mail allows me to thoroughly research candidates and issues, ensuring informed

decisions. Unlike the rushed and stressful experience of in-person voting, it provides accessibility, eliminates the need to take time off work, and prevents lost wages. I

have full

confidence in its security—my signature has been verified twice, demonstrating its integrity.

This repeal is a direct attack on our democracy. It does not strengthen election security—it

undermines it by making voting harder. Please reject SB 210 and protect every Oregonian's right to vote.

Sincerely,

Teresa Waldron
