

Submitter:

Ronald Mecham

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

SB 210

I am in opposition to this measure. It would cause a major burden on the residents of Oregon who are disabled, or have no transportation method to get to the poles.

There are too many attempts to suppress the vote when we should be making it easier.

Stop this attempt to make it harder to vote.
