I oppose this bill to eliminate mail in voting for Oregonians. Mail in voting is secure and extremely hard to manipulate, and anyone who says different is spreading baseless lies and conspiracy theories. The only people who stand to gain by eliminating mail in voting are republicans, as the more inconvenient it is for people to vote, more people will be likely to skip, which has historically benefitted republicans. That makes this an extremely partisan effort akin to gerrymandering.
OPPOSE THIS BILL!
