Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this bill. Mail-in voting makes it easier for many people (those with disabilities, who have childcare challenges, transportation challenges, different work shifts, chronic illnesses) to do what their citizenship entitles them to do. There is no reason to take this away. Our system here has been present for over 30 years with little to no fraud and well-tried procedures.
