

Submitter:

Simon Birmingham

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

We live in Tumalo, my 92 year old mother with severe medical issues would not be able to vote in person, yet she is still very active mentally and desires to continue to use her right to vote

This is pure voter suppression on a system that has proven to increase participation and not increase any type of fraudulent votes

Oregon should be proud of it's recent voter participation history, not trying to undermine it to appease one party
