

Submitter:	Eran Mahoney
On Behalf Of:	CCRP
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I support this measure of in-person voting on election day, along with paper ballots, government ID verification of individual voter, absentee and mail in voting for our deployed military (and the like) and no ballots received after midnight on Election Day.

I, as well as many frustrated Oregonian's, demand legitimacy and ethical integrity in this failed voting system Oregon Governor's continue to support.
