

Submitter:

Douglas Eaton

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please support Oregon's Vote by Mail. I am 74 and a native Oregonian who has appreciated the safe and convenient right to vote from home since 1995. I am proud that Oregon was the first state to conduct a primary election totally by mail and to fill a vacancy when Packwood stepped down and Wyden was selected. Let's keep our reputation in making voting by Mail legal and easy!
