Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote-by-mail should be retained because --

It has proven very secure (.00006% fraud rate - 38 out of 61 million)

It is convenient for everyone - rural voters, disabled voters, military voters, elderly votes, etc.

It promotes voter participation - Oregon has the highest voter turnout in the country

It allows voters to sit at home and analyze candidates and measures with the voter booklet close at hand
