SB210

A total waste of Senate time and nothing more than a method to REDUCE the number of people able to vote. It is anti democratic! Many more important things for the Senate to be working on to make life better for Oregon humans and the this place we call home...all the way to the Idaho border on the east..."that should not move"....people loving Idaho can support local U-Haul dealers, load up and move to the Gem state. Open up some more housing here in Oregon. Thanks for the chance to make my feelings known.
