Thank you for this opportunity to testify on SB 210

I am in strong favor of SB 210, I believe we will have fair and balanced elections if we can go back to in person voting. I remember it like a holiday each year, going in to your town and voting, it was so important and you got to see all your neighbors, there was not the war over who can steal how many votes, it was Americans, proud to vote, proud of our Country. Yes it is harder on elderly and those working late hours, but we made it work then, we can make it work now. Thank you for your time and I ask you would stand in favor of SB 210
