SB210

I am vehemently opposed to this bill proposing the end of mail in voting. As a person who travels regularly for work and has a child with significant support needs, this bill would likely impair my ability to vote.

Additionally, I strongly value the ability to inform myself using the voters pamphlet and online resources while casting my votes. As a past resident of states who require in person voting (VA and NC), I never fully understood the benefits of mail in voting until I moved to Oregon a decade ago.

Please vote "NO" on this bill to support voting rights and access to informed voting.

Thank you.
