Measure, Appointment or Topic: SB210

Dear Chair and Members of the Senate Committee on Rules,

My zip code is Scio but I live 11 miles outside the city limits. My days are busy and unpredictable.

I consider voting to be an important civic duty which I do not want to miss. My birth certificate and residence papers have been vetted at the DMV or else I would not have been able to obtain my Oregon Driver's License. I appreciate being able to track my ballot and this is proof enough to me that I voted.

Please vote no in opposition to SB210 so I can continue to reliably vote in local, state, and national elections.

Thank you.
