

Submitter: Ruth Kaser

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon should be proud that it makes every effort to enable every voter to cast a vote, regardless of Election Day job duties that render in person voting challenging or impossible, regardless of access to a car to get to a voting place, regardless of disability making in person voting a barrier to voting. We do not have a voter fraud problem. This is a bill that serves to create problems, not solve them.
