SB210

I oppose! Vote by mail has been done successfully and securely in Oregon for decades! Seniors and disabled and even working families with children should not face an impediment of physically going to a poll to exercise their right to vote! Sitting at my kitchen table studying candidates and measures and carefully filling out my ballot is far superior to the process of voting in person! Please vote in opposition in order to protect our safe and secure and time-tested method of voting by mail!
