On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail in voting is the most democratic means for voting. Mail in voting allows for more US citizens to vote. Mail in voting also allows for improved knowledge of candidates because it allows for more time and ability to read about the positions. In person voting reduces the number of people to to vote, is inefficient and limiting. I am opposed to making in person voting a requirement.
