

Submitter:

Kim Leahy

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

we have never had issues before, and it allows so many rural and people unable to attend live voting at specific times. When you can sit in your home and effectively review all the measures then vote this allows for the most educated vote. Stop listening to the republicans and musk and trump...we know what works and lets keep it.
