

Submitter:	Tom Baxter
On Behalf Of:	The Baxter Family
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

My entire family opposes anything the president tRump does especially meddling with Oregon's proven election by mail. He is a felon on multiple fronts. He is a liar everyday. He is a scammer all the time. Please ensure Trump keeps his filthy hands off Oregon. Take it to the Supreme Court level. Fight for our rights as you were elected to do so!!!
