Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I'm writing in support of SB 210, which makes in-person voting on the date of an election the standard method for conducting an election.

Voting in-person simplifies the process, reducing costs and minimizing opportunities for errors. It also will eliminate the weeks of waiting to determine the outcome of elections. The option to request a ballot by mail gives every citizen the ability to vote.

Please vote "YES" on SB 210.
