

Submitter:

Mark Wetzel

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please please Oregon do not take away mail in voting. We have the most secure, fool proof fair system in the country, and there is absolutely no reason to change it. I have health issues and going in person will be difficult, but for some, impossible. Stand strong in the face of our democracy being destroyed. Stand up for countable, hack proof ballots.
