

Submitter:

Deanne Hicks

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

SB 210 over our dead bodies. We need the mail in for all walks of life. It is so hard for some to get to a voting booth. Everyone can do a mail in. The reason the Republicans want to make us do what they want it is about control of the masses. Making it harder for many . Well Oregon is a state of what is right. So, keep the mail in vote it is right.
