

Submitter: William Goodwin
On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

To the Honorable Representatives of Oregon,

Vote by mail is an effective system to increase voter turnout. It is safe, easy, and reliable with no downsides. Reactionaries insist that it is plagued by voter fraud, but there is absolutely no evidence to this. The only reason to end Oregon's vote by mail is to suppress voter turnout, a purely anti-democracy act. Please don't do this.

William Goodwin
