

Submitter:

Deborah Agee

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly support voting by mail. If we truly want every American to vote, to have a say in the direction of our government, we must allow citizens to easily have access to voting. It has been verified, in Oregon, that voting by mail DOES allow the greatest voter turnout, so we must continue with this option.

Thank you for your time

Deborah
