

Submitter:

Lukas Magee

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Ive been an Oregon resident my entire life and have always voted by mail. Once I entered the military, I was surprised to learn from my peers that they were only able to vote by mail because of their service. It was new and novel to them. For me, it was business as usual.

I oppose the elimination of mail in voting.
