Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this measure. Mail in voting allows me to have more time make informed decisions and less pressure on my choices. It does not interfere with my work schedule. Allows my disabled mother-in-law to retain her voice and choice in voting. Reduces congestion, saves money, and increases voter turn out. This option is more reliable than any voting booth connected to a wifi network. Please do not take our freedom away.
