Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am in opposition of this bill. Oregon's vote by mail system is cheaper to run and less prone to fraud than in person voting methods. It is a process that should be improved upon, not removed. Oregon's vote by mail system also helps more people be able to cast a vote, which is the most important thing.

Please vote in opposition of this bill and keep our great vote by mail system intact.

Thank you
