SB210

SB 210 is a bill chasing a problem that does not exist. Oregon's mail-in voting system has been successful and there has not been any evidence of fraud or coercion. Requiring a valid government-issued ID to vote is simply a way of disenfranchising citizens who cannot afford the time or money necessary for passports or Real-IDs. Some seniors and those with transportation challenges will struggle to reach a polling place. There is NO reason to pass this bill OTHER than attempting to restrict the rights of citizens to vote. Stop SB210.
