Measure, Appointment or Topic:	SB210

I am an elder resident of Salem Oregon. I have lived here since 2001. I am strongly in support of continued mail in voting in Oregon. I wish to officially submit my position that I am in favor of mail in voting as the standard and legal means of citizens' participation in our elections. I have lived in other states where in person voting was standard and I find this much more conducive to my participation in the electoral process. Please support continued mail in voting. Thank you.
