

Submitter:	Barbara Robinson
On Behalf Of:	Myself
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Please pass this bill to give credibility back to Oregon's election process. I am 74 years old being an Oregon voter for decades and descendant of Oregon's pioneers. I trust this method as being the only way my voice will be heard. Please only allow true USA and naturalized citizens to vote.

Sincerely,
Barbara A. Robinson
