Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please keep Oregon's election system vote by mail. Oregon has the largest turnout for elections and it has been working for 20 years. To require Oregon residents to stand in line and potentially miss the voting cutoff due to long lines and ballot box issues does a disservice to Oregonians.

Let's uphold Oregonians voices and keep vote by mail.

Thank you for your time.
