SB210

I oppose making in person voting the standard method. Voting by mail is more convenient and inclusive to more voters who struggle to get to a physical polling place. Voting by mail allows for more time to research candidates and measures. Voting by mail encourages a higher voter turn out and is safer during a crisis such as the covid 19 pandemic. Overall, mail-in voting makes the democratic process more inclusive and convenient for a wide range of people. I strongly oppose SB210, which takes away our right in Oregon to vote by mail.
