What the heck is going on here? What is this proposal to go BACKWARDS with regard to voting access? Are we submitting to this anti-vote-by-mail conspiracy garbage? We need to lead the way not cower to ignorant forces. We have always defended our vote-by-mail system and touted it as secure. Going back to min-person voting is going backwards as if I even need to say this. Don't let the so-called "patriots" tell us that going backwards is actually freedom. More access to the ballot box not less
