On Behalf Of:	Those that are in support of this bill
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I wholeheartedly support this bill. This bill will stop the corruption, illegal activity of the state and the disenfranchisement of Oregon voters. Getting out of your house to vote at an official voting location in person is the true American election system and you get to meet and chat with other voters. One day, one vote, in person with ID. The only way!
