Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting is rife with fraud. An oregon senator testified before congress over a decade ago saying that mail in voting is rife with fraud. Ballots are allowed to be submitted days after the election. Ballot counting stopping in counties like multnomah, only to start the next day with counting numbers completely different than when they stopped. We have no guarantee that Oregon citizens votes are counted.
