Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting is so much better than in person voting. It enables registered voters to easily get their vote done. I have lived in a state that requires in person voting on one day. At the time, I had no car and the polling place wasn't that close. It makes it difficult for people to vote and a lot of times, discourages voting. I much prefer to have mail in voting. Please vote NO.
