SB210

I have lived in Mt Angel almost my whole life. My husband and I have voted by mail ever since it became law in Oregon. I have never had any issues with voting by mail. I have never received an extra ballot or someone else's ballot. My husband passed away in May of 2014, I never received another ballot for him after his death. The system works. Voting by mail is a great way for the American people to let their voices be heard at the polls. I do not agree with banning voting by mail. It works and it works great.

It is convenient to sit in your own home and vote, then go down to the drop box and put your ballot in. Think of all the people who can't get out to vote due to health issues and other reasons.

Thank you,
Robin Bochsler
