Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am writing in opposition to SB 210. Mail in voting has been a staple in our state for many years and it has been proven to work. More people are able to vote despite mobility restrictions, age related and childcare issues, and other factors. There has been no evidence that this method of voting increases voter fraud. I urge you all to oppose this bill. Thank you
