Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting is secure and simple and trustworthy. We should, as a democracy, do everything in our power to encourage voting and lower barriers for entry. To make voting in-person only is to raise barriers to voting. I oppose any bill that ends mail-in voting.

Voting is not a privilege, but a civic duty, just like paying taxes. Would we willingly make it harder to for people to pay their taxes?
