

Submitter:	C Pearsall
On Behalf Of:	SB210
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I strongly oppose this measure. Oregon's vote-by-mail is a proven process with sufficient safeguards to protect against voter fraud. Vote-by-mail is a convenient way for our working people as well as our ageing population to cast their ballots. We have a good system. Don't wreck it. Our legislators should focus on issues that make life better for Oregonians. This isn't one of them.
