Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail is safe, secure, and makes it easy for ALL Oregonian's voices to be heard. Attempts to change our vote-by-mail system is a clear attempt at voter suppression and a power grab by a political party that knows the only way it wins is by disenfranchising as many voters as possible. Focus on fixing real issues, not enabling the fascist agenda that is overtaking our country.
