Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this legislation.. with our mail-in vote option .. as I get older this option will work better for me as my mobility lessens so I need to be able to vote from home .. it gives me time to look over the issues and also gives me time to look at candidates closer .. there are many rural areas that don't have voting places that are close for them thus they should still be able to use the Mai in option
