

Submitter:

Janelle Lohr

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon has a robust mail-in voting system that has worked well for over 20 years. Voter participation is much higher in Oregon due to this convenient and voter-friendly system. I have lived in other states, and do not miss in person voting at all. Please support democracy and protect mail-in voting.
