

Submitter: Sheila Jackson

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB3921

The City of Roseburg is doing an end run to achieve its goals of putting the area they want in the Urban Growth Boundary. The City cannot achieve its goals in the accepted way using the Land Use laws. They have been unable to incorporate this piece of land for over 30 years by using the goals of the state, so now they are again trying to incorporate this land by changing the laws on the books.
