

Submitter: Holly Van Fleet

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon is a leader in providing opportunity for every Oregon citizen to vote. Mail in balloting is an essential component to providing access. This proposal is another grab by trumpism to suppress voting rights and make voting inaccessible. I oppose the motion to remove mail in ballots and drivers license voter registration.. it is a success that should not be suppressed. All Oregonians deserve a voice through mail in ballots!
