

Submitter:	David Johnsen
On Behalf Of:	Myself and Susan Johnsen
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

This is a ludicrous attempt to pander to the MAGA idiots currently running or ruining the country. Trying to make it easier for voting to be fraudulent and disenfranchised non Republicans.

Vote no on this bill.

Keep vote by mail as is.

Executive orders are NOT laws, so keep our laws sacred.

David and Susan Johnsen

Multnomah County voters.
