

Submitter: Jack Maiolo

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

This is a threat to our crumbling democracy in America. We cannot allow voting to become more difficult in Oregon and give up even more of our rights to the facists in the white house. I moved to Oregon thinking this would be a safe haven from another trump term. We're seeing full blown facism take root in this country we cannot allow Oregon to fall as well.
