This bill will not be popular it may be divisive and exclusive. Why must we let the GOP stomp all over our rights in everything? Not this time. Please do not let this pass. This road the GOP is on is nothing new, It's archaic. We don't even know what or how the GOP plans to initiate this. How will we vote? Can the GOP tell us what the alternative is? No one knows better than this? I am so dissapointed at what I see happening. Voting at home is so much better. It is easier to make an intelligent choice without being swayed by people who do not have our best interest at heart. Face it. The GOP is the minority here
