

Submitter:

Abigail Bibee

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I value the ability to vote by mail in Oregon. There has been no evidence of abuse or scandal or illegal behavior regarding vote by mail in Oregon. Do not let President Trump's lies about vote by mail change how we vote in Oregon. Vote by mail increases participation and is an equitable way to conduct an election.
