Thomas Sawicki

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Keep Oregon's vote by mail system.

Oregon's vote by mail system is engaging, effective, efficient and most of all easy. In more than two decades this system has witnessed increased voter participation with a near perfect record of voter integrity. The system is a cost effective method to enable and allow all voters to participate in the most fundamental right of democracy. It has proven itself. SB 210 is not in Oregon's best interest.
