SB210

Since moving to Oregon in 1994, I have appreciated that I could vote by mail in every election. It makes it possible for me to vote without having to adjust my full-time work schedule and my busy life. Having moved from other places in the country that did not use the vote by mail system, I realize how much easier it is for more individuals to vote. The system is safe and secure and has worked for decades. I would hate to see the vote by mail option go away, making it harder for me and countless other Oregonians to vote. I oppose SB 210.
